

Best Publication Award 2022 of the Swiss Society of Hypertension (SSH)

The SSH has the privilege to announce the 2nd Publication Award of the SSH. The prize will be awarded to the three best publications in the field of human hypertension. The prize is supported by a generous grant from Servier (Suisse) SA.

1st prize: **CHF 5'000**

2nd prize: **CHF 3'000**

3rd prize: **CHF 2'000**

Rules:

- The work has to be published in a peer-review journal between 1.1.2022 and the 31.12.2022
- The published work must have been conducted mainly in Switzerland
- Clinical and basic research are eligible, provided that the results have an impact on patient care
- The applicant has to be the first author of the publication
- Young applicants <45 year old are encouraged
- The winners are expected to present their work at the annual meeting of the SSH (5 min presentation)

Deadline for application: 31.01.2023

The applications should include the published work, a short description of the significance of the work as well as the CV of the applicant.

The documents have to be sent by mail at: info@swisshypertension.ch

The jury is composed of members of the SSH. Selection will be based on scientific (originality, methodology) and clinical excellence.

Berne, November 24, 2022
