

2023 Hypertension Best Publication Award of the Swiss Society of Hypertension (SSH)

The SSH has the privilege to announce the 2023 publication award of the SSH. The prize will be awarded to the three best publications in the field of human hypertension and blood pressure regulation. The prize is supported by a generous grant from Servier.

1st prize: **5000 CHF**

2nd prize: **3000 CHF**

3rd prize: **2000 CHF**

Rules:

- The published work must be published in a peer-reviewed journal between 1.1.2023 and the 31.12.2023.
- The published work must have been conducted mainly in Switzerland.
- Clinical and basic research are eligible, provided that the results have an impact on patient care.
- The main applicant can receive the prize only once.
- Young applicants less than 45-year-old are encouraged.
- The winners are expected to present their work at the annual meeting of the SSH (5 min presentation)

Deadline for application 31.1.2024

The applications should include the published work, as short description of the significance of the work, a CV of the applicant.

The documents have to be sent by mail at: info@swisshypertension.ch

The jury is composed of members of the SSH. Selection will be based on scientific (originality, methodology) and clinical excellence

Berne, 15 November 2023
